Mother, Mother! What do I see?
There is something following me!

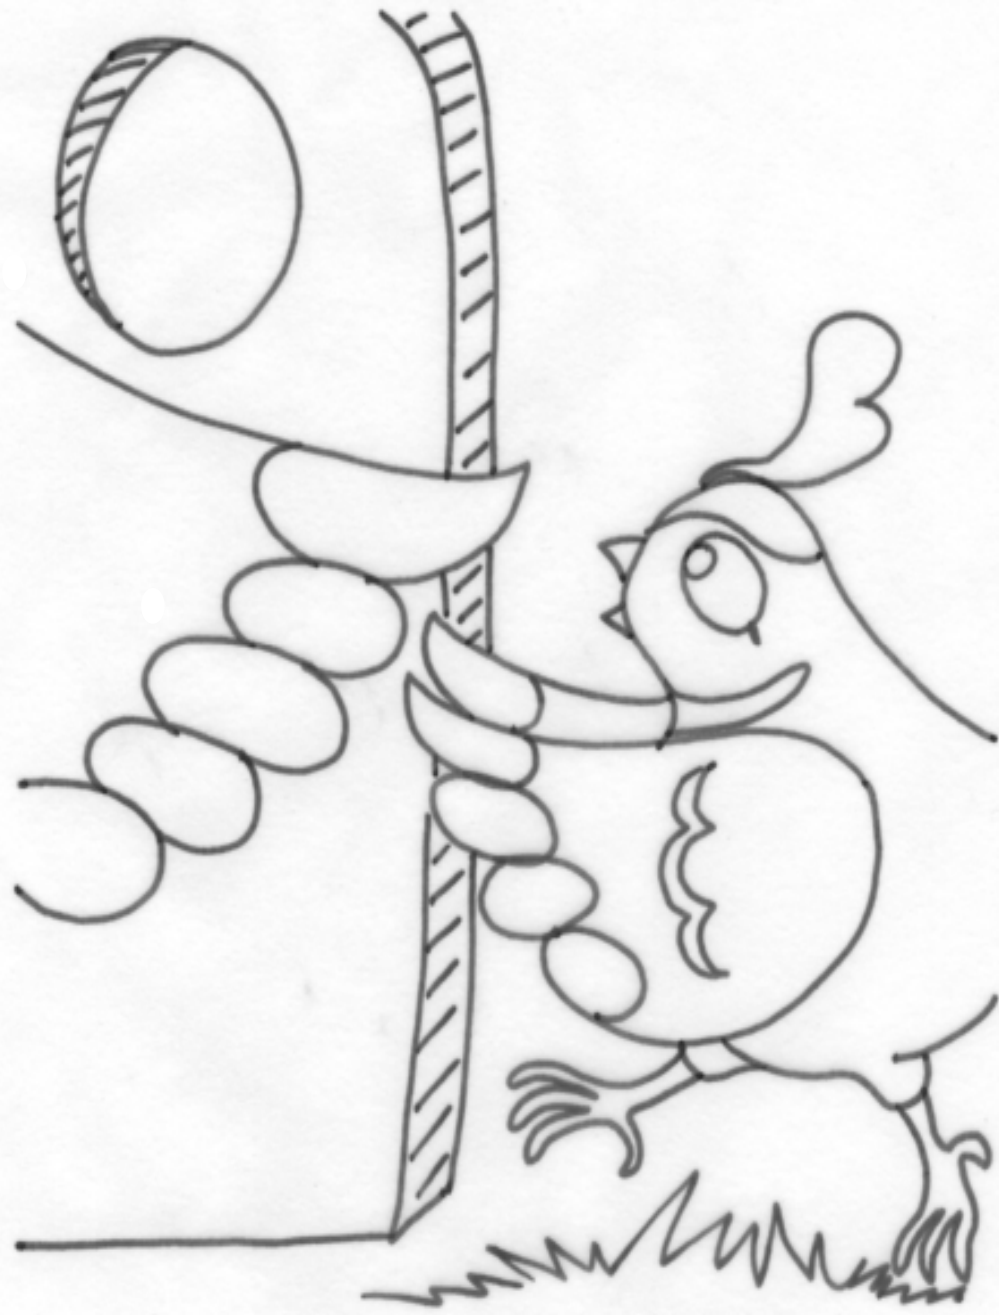

**Mother, Mother! Do you see?
When I walk, it walks with me!**

**Mother, Mother! What do I do?
When I run, it runs too!**

**Mother, Mother! Is this a trick?
I twist and turn, but it is quick!**

**Mother, Mother! Let me inside!
I must find a place to hide!**

**Mother, Mother! Look and see!
Is that thing still after me?**

**Oh. I see. My shadow, you say?
I think I will go out to play!**

**I love to walk and skip and run!
Shadow Tag is so much fun!**
